Guys if you're looking to have a home game in the Johannesburg area. I can do it. I will supply the chips the tables and beautiful dealers and hostesses to get your drinks and keep the guys smiling. Texas hold'em, you choose the format, buy-in, venue and number of models you think you need and I take care of the rest... Just leave a message on the forum (No contact details) and I'll contact you. :woohoo:
