## Is poker a one day game?

Posted by Buck - 2008/09/17 10:05

---

seems like I as many others think that it is a one day game if this can be overcome it helps in creating the ability to put strategy in play and managing your money  
:huh:

when i first started playing in SA seems like there were a few hundred at most ;now there are 10000 plus and growing daily  
i went into a pub for supper the other night there were 28 players with dealers etc and they said the night b4 there were 80 so guess its getting bigger everyday

I've played that game, there are games everyday, all over, it's getting huge... The rules seem to change from game to game though... great site this, thanks
